

# XPCamper Prototype 2.0 Cabin For Sale

does not include truck or flatbed

## Available April 2011

Hello everyone!

We are now offering the Prototype 2.0 for sale.

This is a solid unit but has some minor scrapes and scratches as it was used as a demo unit.

This unit is fully loaded.

All systems are 2 years old.

It will be available as of April 2011.

If you are interested, send email to [marc@xpcamper.com](mailto:marc@xpcamper.com) or call 415-672-1504.
